

## FEES POLICY

Our service has a commitment to ensuring our fees are as affordable as possible and that all families have access to any subsidies that are available to reduce these fees. The setting and payment of fees takes into account all requirements of the Education and Care Services National Regulations, Australian Tax Office, Privacy Act and the guidelines. All records held at the service will be maintained in accordance with the service Confidentiality and Privacy Policy. Families will be provided with accurate fees statements and clear information regarding fee payment processes.

Fees are set by the Management Committee each year to ensure the financial viability of the preschool and a balanced budget.

## GOALS

To enable our service to provide high quality early education and care for children we need to ensure we are financially viable at all times. Our service's financial health and access to our service will be maximised by ensuring families are aware of all fees and fee payment requirements upon enrolment.

## FEES

A fee schedule for each year will be released with copies available from the office. The fees for the new year will be confirmed by the Parent Management Committee during the November/December meeting the year prior depending on when funding information is received.

Upon initial enrolment, a one off membership fee will apply. The amount to be paid will be determined by Parent Management Committee and will be reviewed annually.

### Withdrawal of a Child

If you are withdrawing your child from preschool, you must give two (2) weeks **written** notice to the Director. Withdrawal forms are available in the office. Fees are to be paid for the two (2) weeks of notice, even if your child does not attend.

### Non-Attendance

If your child is absent from preschool due to sickness or holidays, fees are still to be paid for that time. It is also requested that you let the preschool know if your child will not be attending.

## OUTSTANDING FEES

If fees are not paid by the due date and contact with the Director or Administration Manager has not been made, the Director will contact the family by phone to discuss any barriers for them in completing the payment. The Director may refer the family for fee reduction or waving fees if financial hardship has been identified to the Parent Management Committee for a decision otherwise an agreement will be made for the payment of the outstanding fees or a weekly payment plan for the remainder of the year. If no agreement can be made or there

is no contact and the child does not attend any longer the Parent Management Committee will be consulted for a decision for the ongoing enrolment or termination. If termination of the position is decided the position will be declared vacant and filled with another child from the waiting list.
